School Streets Consultation – Have your Say!

Dear Parents/ Carers

Over the next few weeks, Ealing Council's School Travel team will be consulting on proposals to implement a School Street for Drayton Green Primary School. This scheme will close the streets near our school to most traffic at our opening and closing times, making it easier for families and children on the journey to and from school.

The aim of a School Street scheme is to make the streets around the school a safer and more pleasant environment for everyone, while maintaining access for resident and business vehicles registered within the School Street zone. To do this, access to the road will be restricted to permit holders, pedestrians and cyclists only. This means that the road will be closed to most traffic during the closure times. When parents or carers drop off or pick up their children, they will need to walk, cycle or scoot, or park further away from the school and walk the last part of the journey.

This is the proposal for the School Street pedestrian and cycle zone:

You can have your say by completing the quick online survey

Do you need to know more?

Attend our Pop-Up Event

If you would like to find out more about the scheme before filling out the survey, Ealing Council is hosting a Pop-Up Event at our school on 22nd May from 2.45pm to 7.00pm.

There will be maps showing the proposed School Street area, information on what makes a healthy street and the School Travel Team will be available to answer your questions and take your feedback.

The Pop-Up will start at 2.45pm prior to the end of the school day, so feel free to come along to the school a little earlier or collect your child and pop in on your way home. It will be open until 7.00pm so there is also plenty of time to drop in later.

Join us for an Online Presentation

If you are unable to attend the popup event but would like to hear more about the proposals there is an online presentation taking place via Teams, on 5th June from 7.00 to 7.30pm. Please register to attend at <https://bit.ly/Draytongreen-ss-online>

We encourage you to attend the events and **have your say**. Please add the dates to your diary and also take a few minutes to complete the **consultation survey** <https://bit.ly/SS-Draytongreen>. The survey closes at midnight on 9th June 2024.

Please have your say by completing our Quick Survey

You know the area best, so the council would like your feedback about these proposals.

Kind regards

Ms L Singleton
Consultant Headteacher
