

Welcome to Year 6 2026-2027

Meet the Teacher

Mrs Howard
Year 6 class teacher, Assistant
Headteacher – teaching and learning

Miss Jurado
Support Staff and ELSA

Ms Koutas and Kaelem
PPA and Leadership time cover teachers

School Partnership

We know that families and schools who work in partnership with each other achieve the greatest outcomes for the child.

We have high expectations of behaviour and there are consequences if school rules are not met. This includes incomplete homework, incorrect school uniform and late arrival to school. We request that you are supportive and understanding of this.

School Partnership

We understand that situations sometimes arise that are out of your control.

Please do speak with us so that we can support you.

It is helpful for us to be made aware of any changes in circumstances such as issues at home, a new sibling or a loss in the family so that we can support the welfare of your child.

Welfare and allergies

If your child has or develops a new allergy or condition please let us know as soon as possible and provide any doctor's information or medical reports to enable us to create a health care plan to keep them safe in school.

If they have an asthma inhaler or an EpiPen they must have at least 2 in school. All medication kept in school must be full/useable, in date and regularly checked to ensure it is safe to use.

Please speak to the office if you have any questions about special diet school lunches or medication.

Attendance and Punctuality

The National Curriculum in England is very rich and as such it is important that we maximise every moment of the school day.

We urge you to schedule medical appointments outside of the school day where possible.

School gates open at **8:35am**; school gates close at **8:50am**

Registration begins at **8:45am** – please arrive punctually to ensure your child is in class on time, ready to learn.

Schools ends at **3.15pm**. Please collect on time.

Thank you for sending your children to school ready to learn and have fun.

They look so smart in their uniforms.

Wearing the same uniform helps us to feel part of a community and feel proud of our school.

High school are very strict on uniform so we want to get the children into the habit of having the correct uniform

Green school jumper or cardigan
Black school shoes or plain, black trainers
Stud earrings – this is for the safety of the children

Please remember to bring in a water bottle and a bag every day.
Please label all items of clothing – our staff sort through lost property and return anything labelled to the classrooms
If you have difficulties with purchasing school uniform, please speak to your class teacher or the office to see if we can help.

Please bring a coat every day –
please make sure your name is on

Important Days in Year 6

Event	Day

Deadline to accept high school offers	15 th March 2027
SATs Week	10 th May to 13 th May 2027
PGL	9 th June 2026
SATs Results	July
Common Induction Day – Ealing	Friday June 25 2027

Behaviour and Expectations

At Drayton Green, we believe every child wants to do well, make excellent choices and fulfil their potential.

We are committed to creating a teaching and learning environment where the emotional well-being and learning needs of young people are at the heart of all our actions and decisions.

We aim to empower children to achieve in an atmosphere of mutual respect and high expectations of all.

Drayton Green Primary School

World War I

World War II

Cold War

Human Rights and Equality in Britain

The Suffragettes

The Rise and Fall of Hitler and WW II

Classification

Home Learning

- English – a short piece of writing / answering questions will be giving in their weekly homework
- Maths – completing questions to supplement in school learning will be giving in their weekly homework
- Spelling – practicing new spellings each week (this will be tested during school)
- Reading - read a few pages of your child's book with them every evening
- KS2 Time Tables – children will soon have their TTRS logs to practice at home
- KS1 Numbers – children will soon be given their NUMBOTS logs to practice at home

Ways to Help at Home

- Provide a calm, quiet space for your child to complete their home learning/reading.
- Ensure they arrive to school on time and have had a good night's sleep.
- Monitor the use of devices and screens.
- Read with them daily.
- Ask them questions about their day.

We are all a team working together to ensure your children receive a brilliant education and are always safe and taken care of!

We are in the playground each morning and after school for short conversations.

An appointment can be made through the school office.
Please check your child's bag each day after school for letters and work.

Class Dojo is used to communicate with families
Phase Leaders are available to speak to as well – please contact the office to make appointments if necessary

High School

Applications are open and open days start this week.

Please have your application complete before 31st October 2026.

Trips - PGL

We will have another PGL meeting this half term

At PGL, children stay for two nights (three days). They experience a range of activities. The trip will be Wednesday 9th June to Friday 11th June 2027!

It is a chance for them to build resilience, independence and celebrate the end of primary school.

The total cost per child will be £150*

*This is heavily subsidised by the school and by fundraising which we will be doing over the year

KS2 SATs – Monday May 10th

We will have a SATs meeting near the end of this term.

SATs are a way for schools to see the outcomes of their pupils.

The outcomes of the tests do not affect your child's high school place - high schools use these outcomes to offer support to pupils in year 7

We want the SATs to be a relaxed and stress free time - we will be preparing for the tests all year so there is no need to worry about them

KS2 SATs

Things you can do to help your child:

- ❖ encourage a love of **reading** - fluency and understanding in reading is the real key to mastering the SATs reading test
- ❖ **times tables** and quiz revision - knowing **basic number facts** is vital to passing the SATs maths tests
- ❖ complete **homework** and talk to your child about their learning - every piece of homework is revision for something which we have covered in class
- ❖ **spelling** practice - seeing the year 5 and 6 spelling words will set them up for the future

CGP Books

We are asking parents to purchase a bundle of SATs revision books.

Two of the books will be for your child to keep at home and regular homework will be given using the additional two books

Parents will be asked to pay a small fee towards

A ParentPay link will go out to parents soon
All children will be given these books, we just ask that parents pay their contribution when the payments are set up

Thank you
