Dear Parents and Carers

It is very hard to believe that we only have one full week left of the school year.

Just before I started at Drayton Green the gate system was installed. We require an air lock system to ensure the safety of the children and the site. The gate control system also extends to the two gates on the other side of the school. It is quite a delicate system, a push from an impatient delivery person can result in a complete malfunction. The change of hour, autumn and spring is truly a nightmare. Changing the opening time by just 5 minutes sounds like a straight forward job, sadly that could not be further from the truth. I am sure at times you must feel that the gate system is there to annoy you and for that I do apologise. It is now an old system that needs updating but this is very expensive and cannot come before other school priorities. I am always grateful for your patience and understanding and I know that the gate requires a great deal of this.

With every best wish

Mrs Doherty
Headteacher

Safeguarding

Designated Safeguarding Lead:
Mrs K Doherty

Need to speak to your child's teacher?

It is very important that you are able to speak to your child's teacher. Please use class dojo to send your child's teacher a message. They will respond within one school day.

Please be mindful that the teachers job at the end of the day is to make sure that all the children are dismissed safely, so not the best time for 'a quick word'. If you are happy to wait until all the children are dismissed I am quite sure the teacher will be happy to speak to you.

020 89972307
