

23 June 2023

To Whom it May Concern,

Drayton Green Primary School will be holding its 8th annual International Family Event, for our families, friends and neighbours on Monday, 17th July 2023. For families who have joined our school community in the past three years, this may be their first opportunity to take part due to Covid.

We will be showcasing a number of parent-run Country Stalls featuring a wide variety of food, crafts, cultural activities and games, which brings opportunity to share and value the multicultural diversity within our community.

The money raised at this event will directly benefit the school by putting it towards much needed school resources and stationery for the next year.

We would be grateful for your generosity to contribute to this important and festive day for our school community by providing a raffle prize, monetary sponsorship or other in-kind donation. All of our contributors and sponsors will be mentioned in our event literature and thanked in our programme.

If you require additional information, please do not hesitate to contact myself or any of us on the Friends of Drayton Green Committee at the school address or at fodg@outlook.com.

Thank you in advance and best wishes from everyone at Drayton Green Primary School.

Sincerely,

Patricia Lajtai
