

**Please help run / organise a stall
at our**

International Family Event

Friday 7th July 2023

Dear Parents, Carers, Children and Staff,

This year we would like to celebrate again the International Family Event and we invite **YOU** to run a “Country” Stall to share your community’s food, traditions, games and culture with everyone at Drayton Green.

- What would **YOU** like the children to know about your community?
- What would **YOU** like others to know about your country?
- What could **YOU** make and sell to raise money?

Our International Family Event is the biggest fundraiser of the year, where we celebrate the incredible multicultural diversity of our school, and we would love to give it a truly International feel.

If you need any further information please email fodg@outlook.com.

If you are interested in running a stall please ask your class teacher or message on your WhatsApp group or email us on fodg@outlook.com.

Thank you for your continued support, we can only achieve this with your help.

Best Wishes,

The FoDG PTA
