

**Please help run/ organise a stall  
at our  
International Day Event  
Friday 7<sup>th</sup> July 2023**

Dear Parents, Carers, Children and Staff,

This year we would like to celebrate again the International Day Event and we invite **YOU** to run a country themed stall to share your community's food, traditions, games and culture with everyone at Drayton Green.

- What would **YOU** like the children to know about your community?

- What would **YOU** like others to know about your country?
- What could **YOU** make and sell to raise money?

Our International Day Event is the biggest fundraiser of the year. It is where we celebrate the incredible multicultural diversity of our school and we would love to give it a truly international feel.

If you need any further information please email [fodg@outlook.com](mailto:fodg@outlook.com).

If you are interested in running a stall please message via your Whatsapp group or email us on [fodg@outlook.com](mailto:fodg@outlook.com).

Thank you for your continued support, we can only achieve this with your help.

Best Wishes,

The FoDG PTA
