

# Rainforest Art Year 4

This week's artworks are from year 4, who are working on the Rainforest in Geography this term. They were asked to explore and replicate the artwork of the French artist Henri Rousseau. Rousseau is famous for his paintings of animals in the Rainforest. Displayed here, are close ups of their use of colour and mark making, so you can see how they attempted to replicate Rousseau's art. The media they used were oil pastels or colouring pencils on A3 sugar paper.
