

16th December 2022

Dear Parents/Carers

It is hard to believe that the end of term has arrived.

I know the staff team would like me to express thanks for your kind words, gifts and cards.

There have been a number of ups and downs this term, the main concern being the health of the children at this challenging time. As far as I am aware, all children who have been poorly are now on the road to recovery, which is great news!

To our families that are travelling, I wish you a safe journey!

To our families that are sharing Christmas with extended family, I wish you joy!

To our families who need this time to recharge and be quiet, I wish you peace!

Please know that email address help.dgps@gmail.com will be checked daily during the holidays.

Remember children start back on Thursday 5th of January 2023.

Happy Christmas to you and all those special to you!

Very best wishes

Mrs K Doherty
Headteacher
