Whole school attendance this week = **94%**

Well done to **ARP D, 1D, 2G** and **4G** who all had **98%** attendance this week. Well done everyone!

Sports day was a great success! Thank you to all of the parents and carers who braved the heat to support the children. Mr Leks did a fantastic job organising the events and the children were beautifully behaved on the field. It was so lovely to see the children supporting each other and cheering on other classes. The year 6 helpers were amazing too, and the PTA helped by providing a gazebo and bottles of cold water, which was very welcome! Thank you for your help everyone!

As the weather is remaining hot, please make sure that your child has a hat in school every day, labelled with their name. We have kept the children inside or shortened playtimes outside on particularly hot days but they need a hat and sun cream for when they do play outside in the sun.

We only have a few weeks left of term now and everyone is tired and looking forward to the holiday for a rest, however we need to keep up our attendance and punctuality until the end of term! Please make sure your child/children are in school on time as some children are arriving after the gates should be closed in the mornings. Please help them to keep a good bedtime and morning routine to ensure they are in school and ready to learn by 8:45am.

Sports Day

On Thursday we held sports days for KS2 in the morning and KS1 in the afternoon. It was a very hot day but we had lots of support from the classes who were watching and all of the parents and carers who came along! The children showed fantastic sportsmanship and tried their best on all of the races. They all said they really enjoyed the races!

PGL residential trip for Year 6

Last weekend some of the Year 6 children went to Liddington to a PGL activity centre. They stayed there for 2 nights and came home on Sunday. They had a very adventurous time and did lots of fun activities! They also enjoyed a disco one evening and some teambuilding work, where they had to navigate through a forest course wearing blindfolds. The children and staff were very tired when they got back to school on Monday, but they had a brilliant time!

Archery competition

A team of our best archers from year 5 and 6 went to represent Drayton Green at an archery competition on Tuesday. They enjoyed shooting at the target and Mr Leks helped them with a few pointers to improve their technique.

Contact information

It is very important that the school has your most recent contact details in case there is an emergency and we need to get hold of you. Please make sure that we have at least 2 numbers to contact, particularly if you are at work and/or cannot be contacted during the day.

If you change your address or phone number please can you inform the office as soon as possible and we can update it on the school systems.

If you are planning to move house over the summer, please let us know if your child will be returning to Drayton Green in September or if they will be moving to a closer school.

If you are relocated/rehoused unexpectedly over the summer or if there are any changes in your home or family, please send an email to the school admin address to update us. This address will be monitored over the holidays and the office team will make the teachers aware of any changes to the classes or if any children may need additional emotional support when we return in September.
