## Newsletter 11.7.25

Whole school attendance this week = **91%**

Well done to **6G** who had **100%** attendance this week. Superstars!

Our Year 6 leavers production of Super Stan was this week and it went very well! The children all got to see a rehearsal during the week and the parent/carer productions were very well attended. Thank you to everyone who supported the children in the extreme heat of the gym!

The end of year reports were handed out to parents/carers on Wednesday. If you have any comments or concerns about your child's report, please speak to the class teacher. If your child was absent this week, their report has been posted to your house.

The Year 6 SATs results were also handed out with the reports. The staff are very proud of the resilience the children showed during their SATs and we hope that all children are proud of how much they have achieved during their time at Drayton Green!

The children in Year 1 and 4 also received test results this week and some children who re-sat the phonics screening check in Year 2. If you have any questions about the results, please speak with your class teachers.

If you are moving away and your child is leaving the school, please complete a leavers form from the school office to let us know your new address and which school your child will be moving to so that we can share any information with the new school. This does not include the Year 6 children moving to secondary school, as their information has already been shared with the secondary schools.

# International week assembly and fair

On Friday we held two assemblies for the children to show the parents and carers what they had been learning about during the week for international week. The children and staff all worked hard to create some wonderful artwork and to learn songs or dances from countries all around the world. The children presented their songs, dances and facts with confidence and smiles. They were amazing!

After school we enjoyed a fair that was organised by our PTA and some brilliant helpers! The children enjoyed face painting, a bouncy castle, food and drink stalls and some different games and activities. Thank you to everyone who donated items to sell or who helped at the event. We raised over £1400 which will go towards new resources for the children and organising future events and fun!

# The adventures of Super Stan

Year 6 performed their end of year production this week – The adventures of Super Stan. They performed to KS1 and KS2 on Tuesday and Wednesday mornings and then twice to Parents/Carers on Thursday. The children made or organised all of the props, which looked great! Everyone was involved, some children were stage hands or controlling the lighting and sound and they had clearly put so much effort into learning and rehearsing their lines, songs and dances. It was a brilliant show!

Well done Year 6!

## New classes and teachers in September

The children spent a morning with their new teachers and in their new classrooms this week. Due to the small numbers in some year groups and an ever decreasing school budget, we have had to combine some classes but all classes will be under the legal limit of class sizes and be more in line with class sizes nationally.
